NOTICE OF RIGHT TO PROTECT CERTAIN INFORMATION FROM DISCLOSURE.

The Export Administration Act permits you to protect from public discloure information regarding the quantity, description, and value of the commodities or technical data supplied in Item 9 of this report and in any accompanying documents. If you do not claim this protection, all of the information in your report and in accompanying documents will be made available for public inspection and copying. MULTIPLE TRANSACTIONS: Public reporting for this collection of information is estimated to average one hour per reported request, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
